MEMORANDUM FOR: Deputy Director of Special Activities
THROUGH : Deputy for Operations, OSA *ELP*
SUBJECT : Preliminary Scan of Mission [REDACTED]

25X1

1. The preliminary scan of this mission discloses that it detected 133 SAM sites of which two are new. Twenty (20) were occupied; 98 unoccupied; and the remainder were identification only.

2. In addition, 20 of the planned 25 COMOR targets were covered. Another 23 additional bonus targets were covered. Analysis is continuing.
